## Diocesan Directory Advertising 2004-2005

Burnham Media Services have been chosen by several Dioceses to sell the advertising space within their Directories. The Directory is the main source of information used by all sections of the Diocese and would give you direct exposure to the individuals responsible for the sourcing of goods and services within it.

We have listed below the individual Diocese Directories for which we are acting, together with a few details concerning each publication and the spaces that are available. If you would like to advertise please tick the appropriate boxes and fax the reply to **0871 990 9554**.

Can we take this opportunity to thank you on behalf of the individual Diocese for your support.
